## The VetPay Commitment

**VetPay** is specifically designed to help you pay for veterinary expenses without the worry of high upfront costs.

We have a network of participating veterinarians throughout Australia & New Zealand including emergency centres, referral specialists and large animal hospitals.

Start your pet's treatment now and pay for it over time.

Ask your clinic to apply while you are at the surgery if treatment for your pet is urgent.

Or you can apply online at [vetpay.com.au](http://vetpay.com.au)

For more information including Lending Criteria, Frequently Asked Questions and to Calculate Your Repayments visit our website.
